Sept 2023

Dear Head of Sport / Head of PE,

I trust this finds you well & apologies for the late communication. I am pleased to announce that entries are now being accepted for the **12th Oxfordshire Secondary School's Relay** competition that acts as entry into the **65th ESSA Secondary Schools Relay competition**. This year the National finals will not be held at the LAC as they are double booked.

This is a competition for three age groups, Junior (Yrs 7 and 8), Intermediate (Yrs 9 and 10) and Senior (Yrs.11, 12 and 13).

I would like to offer your school the opportunity to compete in this years' competition. All events are 4 x 50m Freestyle and Medley Relays for both boys and girls, and the competition regulations can be found on the ESSA website via the following link: (<http://essa-schoolswimming.com/index.php/events/secondary-team-championships>)

The County round is taking place on Friday 15th September 2023 at Abingdon School, with a 2.00pm warm up and 2.30pm start. Depending on the number of entries, to reduce the number of people on poolside the male and female events may be split with the female events first, followed by the male events. This will be confirmed in later correspondence.

The event is effectively a time trial, with all the results being forwarded to the national organiser and the top 30 schools in the country being invited to swim in the national finals. However, depending on the size of the final venue and lanes available, only the top 24 will qualify. **The date of the finals will be Saturday 18th November 2023.**

Please note that ages are evaluated from age of birth, so for senior age groups the year group is often for reference only, date of birth is most important.

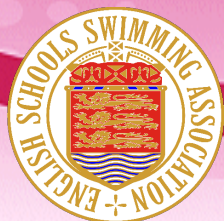

If you wish to enter your school into this competition please fill out and return the entry form by email (daniel.mason@abingdon.org.uk). **Entries will close on Friday 1st September at 5.00pm.** All schools will be emailed final details at the start of the following week. **Like previous years I am afraid that we will only be accepting 'A team' entries.**

In addition to this letter, please also find attached an entry form. There is a £5 Divisional entry fee per race (eg Junior Boys = £10.00 for both relays) (Payable to ESSA South East Division), which covers the teams affiliation (inc. insurance) and administrative costs for the event. Fees are payable with a bank transfer to the ESSA south east account, please let me know if you need this information.

Further details can be found on the ESSA Website: <http://www.essa-schoolswimming.com/>

Finally thank you for your support over the past four years, and we look forward to welcoming you to Abingdon School again for the 2023 event.

Yours sincerely
Dan Mason
